***Are you wondering what you could be doing NOW to
prepare for the coming process of securing a place in college? February 2nd 6 – 8 pm***

The next three semesters are key to the process. Now is the time to make a plan of action and a timeline for what you need to do into senior year. The Counseling Office and Post Grad Center want to help make your transition as smooth as possible. You and your parent/guardian(s) should attend this evening, as we'll help you make a list of items for focus.

We believe college is not a prize to be won, but instead a match to be made. Let us share some wisdom we've acquired about making your match the best one possible.
